PACKING GUIDELINES

Helpful Packing Tips:

- Use luggage tags listing: Camper Name, Home Address, Parent Cell Number, Email
- Please pack all items into bags; no loose items.
- Mark all items with your camper's name.
- Use a "stuff" bag, duffle bag or trash bag for your camper's pillow and sleeping bag. Sleeping bags are notorious for coming unrolled and getting dragged around the camp.
- Pack with your camper to help them develop ownership for their items; additionally, they will know what they have and where to find it.
- Pack plastic or laundry bags for wet or dirty clothing.
- Keep medications separate for easy access during Check-In. All medication must be brought in its original labeled container and given to the Camp Medic at Check-In.
