In the event of my/my child's involvement in an emergency while at camp, I understand that every effort will be made to contact me. I hereby give permission for myself/my child to be treated by a physician selected by the camp and/or to receive general pain medication or over the counter allergy medication at the discretion of the first aid staff. I understand that failing to disclose some medical conditions may result in an inability of the camps to serve myself/my child. I understand that in order to best care for myself/my child, Impact 2818 reserves the right to decline attendance for myself/my child if the Camp Manager believes the camp is not able to provide quality care for myself/my camper regarding disclosed or undisclosed medical or behavioral needs. Also, I understand that pictures/video may be taken of myself/my child at camp and used for publicity purposes by Impact 2818.
