

F3E

Fall-Family-Fun Escapes

Plan now for a F3E in beautiful Brown County Indiana! All housing is by family. Come and enjoy 730 acres of wooded bliss on camp or check out the amazing Brown County State Park in all of its glory. The colors are sure to WOW you. We will also have activities for all ages with a Fall theme. Evening hay rides through the woods, feature activities, and fall creative activities (Crafts). Bring your camp chair and relax by the fire and enjoy the completeness of Camp Moneto.

Event Details

We are a Christian Camp and believe that getting away together is a great way to foster your relationships with each other and a GREAT opportunity to build your relationship with God. We encourage you to,

from the start, begin each day with a devotion. Pick a theme for the day and run with it. We also would encourage you to end each day with a campfire and questions. Simply by facilitating a safe space, you will be amazed how God can work in everyone's life. Your host can guide you on any aspect of this AND would love too.

We also encourage love and respect with all other families that will be present. Social distancing is easy at this camp. However, everyone may be at a different place than you, so asking, "are you comfortable with..." is a good question as we care for others around us. This experience is for families who are ready to be out and around others. If you are not comfortable around others during these times we would not recommend this experience for you.

We encourage you to invite others families to come with you! We would also encourage you to have campfires meals. Be outside as much as you can. Take this time and be present with each other.

Sign up before we fill up!
