Dress Code Policy

We ask everyone to dress modestly. Clothes and appearance should not be a distraction to those around you. We are at camp to focus on Christ without the distraction of sexual appeal or graphic shirts. If you are wearing something or acting in a way that is impacting the experience of those around you, you will be asked to address the situation. Please leave the following at home: midriff shirts, skin-tight short shorts, low-cutting or strapless tops/dresses, revealing two-pieces bathing suits, & speedos.

PACKING GUIDELINES

Helpful Packing Tips:

- Use luggage tags listing the camper's name, address, parent cell & email address

- Use a "stuff" bag, duffle bag, or trash bag for your camper's pillow and sleeping bag, to keep them clean and together.

If you have special dietary, doctor-directed meal concerns, please contact the Camp Manager at the number below to make arrangements for sending food to supplement our menu. Any meals sent to the camp to be prepared by our staff for your camper will need to have a doctor's note explaining the needs and allergy. We cannot prepare raw foods. Please refer to our allergen information online at impact2818.org/faq.

At the 9-13 grade level we expect campers to handle personal hygiene on their own. Campers are responsible for their own sunscreen and insect repellent. Female campers should be prepared to handle feminine hygiene. We expect campers to be aware of their allergies.
